Kiai Do

Training Workshop

March 31 & April 1, 2007

Sponsored by
Professor T. A. Frazer and
Jodoryu International
Instructed by

Master

Song Park

Featured Topics

- **Saturday**
- 8 Foundation Chi Gong
- 5 Element Healing
- Healing Sound Massage
- **Sunday**
- Outer Kiai – foot work, parrying and self defense
- Secret Kiai Stances – Center line and dynamic grappling
- Inner Kiai – pressure point and sound projection

This workshop is a must for education, health care or law enforcement professionals seeking knowledge of verbal aggression management.

What is Kiai Do?

Kiai (sound) Do (way) is the ability to use the different tones created by speaking combinations of vowels and consonants (words) for improved health and aggression management.

Grandmaster Song Park

Song Park is a doctor of Holistic Medicine and a Master of Tae Kyon – Original Korean Martial Art. He currently practices, studies and teaches both Martial and Healing arts, including Acupuncture Acupressure, Qi massage and Energy Channel massage, Tae Kyon, Tai Qi, Qi Gong, Pressure Point Fighting (Dillman Method, Kyusho-Jitsu), and Yoga. Dr. Park is an inventor of a Computer Based Pulse Assessment system that can monitor and interpret pulse wave in accordance with TCM. Extensive research and practice in relation to Body/Energy/Mind through Movement of Sound and Color (light). Particular area of interest and expertise is an Energy/mind Medicine based on Traditional Tibetan medicine and Tradition Chinese Medicine and internal and spiritual aspects of Healing and Martial Arts. Grandmaster Park is also a member and contributor to Jodoryu International as well as many other Martial Arts organizations worldwide.
